

# Download the CareMonitor smartphone app to stay connected with your Care Team anytime, anywhere!

Speak to your Care Team now to get started

CareMonitor is an app that makes it easy for patients to connect and collaborate with their healthcare teams.

## Quick Communication Tools

Contact your Care Team with One- Click through secure messaging and video calls.

## Remote Health Monitoring

Stay on track with your personal health care plan.

## Personalised Health Record

Your care team can monitor your vital signs while you are at home.
